OUR BEAUTIFUL LOCATION

Sky Ranch Horn Creek is located at 9200' elevation at the base of Horn Peak (13,500') overlooking the Wet Mountain Valley between the Sangre de Cristo Mountains and the Wet Mountains in south central Colorado. The Sangre de Cristo range has several fourteeners (14,000' peaks) and is one of the longest continuous mountain range in the contiguous United States. Our camp is located just off the Rainbow Trail, which runs along the Sangres for nearly 100 miles giving plenty of access to the many alpine lakes and trails throughout the range. Due in part to the elevation and low humidity, summertime temperatures typically stay in the 80's during the day and the high 50's at night. One of the best things about summer camps in Colorado is the cool, dry climate and beauty of the mountains, which allows for the enjoyment of many outdoor activities.

ACTIVITIES

ON-SITE

Our on-site activities include seasonal horseback riding, water slides, high and low ropes, sand volleyball, snow tubing, and more. We also have three game rooms as well as a versatile Rec Center with bowling, rock wall climbing, basketball, volleyball, racquetball, and other great activities.

OFF-SITE

Our location in southern Colorado has many nearby attractions such as the Royal Gorge, Bishop's Castle, The Great Sand Dunes National Park, and white water rafting on the nearby Arkansas River.

Retreat rentals allow you the opportunity to set your own schedule and program your retreat as you desire. We provide accommodations, meeting spaces, meals, recreational opportunities, and personalized service, while you focus on your ministry objectives.

PURPOSE

Sky Ranch Horn Creek is a high-mountain Christian camp and conference grounds that intentionally stewards the glory and majesty of God's creation. With over 60 years of ministry experience, our environment creates life-change through dynamic community, challenging teaching, and encouragement.

PASSION

"Leading youth and families to know and follow Christ" - The ministry of Sky Ranch Horn Creek is fueled by this mission statement, with a passion to see men, women, boys, and girls pointed to Jesus so that they might glorify Him and discover His best for their lives and the lives of their families and communities. We know that when God changes a life, it doesn't stop there. The ripple effect always reaches beyond the individual. When Christ changes a heart, He changes a life. And one person committed to Christ can have an impact that stretches far and wide for generations. We have the beautiful privilege of seeing this truth in action right before our very eyes at Horn Creek. Our community is filled with examples of generations who have lived for Christ and His kingdom.

PEOPLE

At Sky Ranch, we are commitment to excellence in all that we do. We strive to exceed expectations every step of the way. Our staff offers Christ-centered service to all of our guests on camp. Whatever your retreat needs, we are here to serve you.

PRINCIPLES

Every organization has a value system that guides its actions. While there are any number of values that might be identified as important to our ministry and community, there are some "biggies" that we believe really rise to the surface. They are as follows:

BIBLICAL SPIRITUALITY - We have faith in Christ and the sufficiency of His Word in all we are and do.

IMPACT - We impact people with a relevant and personal Christ-centered focus through teaching, fellowship and recreation.

GLORY - We endeavor to bring glory to God in all that we say and do.

GUESTS - We commit to make your stay memorable, comfortable, and cost-effective while being sensitive to your needs.

INTEGRITY - We will maintain a positive name with those whom we associate.

EMPLOYEES - We shall be an equitable employer committed to a workplace that supports the hiring and retention of those called to service at Horn Creek by providing opportunities for spiritual and professional growth.

STEWARDSHIP - We will care for the resources that God has entrusted to us in a way that honors Him.
